Trump noted that he did not attend today's hurricane briefing. He has blamed others for his no-show. President Trump this morning skipped a scheduled, post-hurricane briefing on hurricane damage assessment. He did not attend today's briefing to brief reporters on what his administration has been doing since Hurricane Irma struck and why his administration is working so hard to help areas where the hurricane has hit. President Trump has said in recent days that the overall damage was not as bad as it could have been. The National Hurricane Center upgraded the maximum winds for Irma from 115 miles per hour to 185 miles per hour. Trump, through his spokespeople, has blamed the lack of briefing on the White House staff who lack work experience. Trump has said 3da54e8ca3
