Keep your cash safe and secure with CashPlus – FREE! This is a secure, easy to use windows wallet app. It stores your cash securely in your own personal 'wallet'. Your cash and records are stored securely in your own personal 'wallet'. You can access your cash from all your compatible devices. It's completely free. No need to register anything. No permissions are requested. You don't need to login or setup anything. It's really simple and does what it says. Features Include: -CASH - As you type, the CashPlus counter simply counts the input currency. Once you hit the number you typed, the CashPlus button changes to 'Cash'. You can then either 'Cash' the amount or 'Withdraw' the amount. -CURRENCY - It automatically translates the currency and displays the amount in the local currency. -HISTORY - Learn how much money you have in your CashPlus account. -PAN - For extra security, when you plug in your smartphone or computer to your Windows PC, CashPlus registers a unique number and stores it in your CashPlus 'wallet'. This unique number (PAN) is then used in place of your login. It can also be used to re-enter a Password. -TAN - Manage all your cash and access your CashPlus 'Wallet' anywhere. -SUPERVISED CREDITS - Keep a record of all your paid balances. -SECURITY - An easy to use security PIN code is included to help keep your CashPlus private. Your CashPlus PIN code is also available as a pop-up 'alert' at the top right hand corner of your device. -ADJUSTMENTS - You can easily customize your cash and records so they all fit together nicely. -PAID BALANCES - You can view all your cash history with your CashPlus balance. -ELECTRONIC TRANSFERS - To easily transfer your cash to friends and loved ones, CashPlus will prompt you for their name and any custom message. All payments are made on the device. -PAYING BANKS - To prevent debiting of your CashPlus amount, you can pay your bills directly from your CashPlus. Click on the 'Pay Bills' button and choose the bill you
