Elden Ring is a fantasy RPG based on the story of the "Elden Quest" (and is the first fantasy RPG in the Unreal Engine 4. In addition to the main quests that take place in the Lands Between, a variety of open story-driven quests have been prepared. As a character of the Lands Between and its surrounding areas, you must fight the savage demons that threaten the lands, and open the ways to discovery of the reality beyond. About an Unreal Engine 4 game: Elden Ring is a fantasy RPG. The game is set in the Lands Between, a vast and mysterious land. You must rise as a Tarnished Lord to defend the Lands Between. The Lands Between is a virtual world composed of three different lands: Waterlands, Nightlands, and Mountains. As you adventure through

the virtual world, you may confront various enemies and seek out the answers to your questions. During your journey, you will develop as a character, and you will grow stronger through accomplishing quests. With the skills you acquire in your quest, you may change your appearance and equip different weapons and armor. You will be able to forge new friendships and deepen your relationships with other characters. "Elden Ring" is the first Unreal Engine 4 title that is featuring an online element. You can freely travel around the Lands Between by meeting other players online and your friends' characters. Also, you can also talk to NPC characters by linking your game with smartphones. Elden Ring is free to download and try. If you are interested in giving a trial version of Elden Ring a try, please contact us at About B-project B-project INC is developing as a company that developed the popular "Elder Scrolls" series of RPG (role playing game) and the popular "Grand Theft Auto" series of action games. —Character Creation —Equipment Combinations and Upgrades
—Collectively Gathering to Fight the Gates of Infinity. TORNADO TIME
Temporal Transcendence The battle hasn't even started yet and the chaos is already raging. As the legendary sages who have come from a faraway place peck at the remains of the destroyed civilization of the Elden Lords, rapidly-disappearing time is gradually losing its meaning. Meanwhile, demonic forces whose number have been growing day by day ravage the lands from across the world. What is the connection between them? The single enemy they fight for the ultimate goal is clear, "to collect the souls of the fallen Elden Lords". In the Realm of Empty Times You will start your adventure in this desolate world, where your journey has just begun. Do not lose your hope! DARK SLAVERY Romance and Death A new faith in the stars is blooming. Many people have the strong faith that the chance of living for another day has come. In the current world of the fallen Elden Lords, there are many different kinds of people and stories. There are strong, kind, good, and weak, there are lives with prospects, and there are lives without prospects. This world had become an entirely different place. But the people who despise this bright world are continuing to spread their dark claws. As the people of the fallen Elden Lords disperse, the fate of the world begins to deteriorate. The Empire of the Stars In order to escape the fate of this world, the Empire of the Stars (Four Elements) gathers once again. At the end of the Endless Labyrinth where they fought until the end, there are four great behemoths who have gained the power of "Temporal Transcendence". In addition to the four fairies who have come from another world, they have brought their complete army and are now waiting for a final clash with the sages. In the end, they will become the masters of this world. A Game with Changeable Rules There is no simple truth to the story told in the background. You will be able to freely change the basic parameters of the game and play in accordance with your desire, such as when you want to fight or when you want to go to the next day. ◆
